BRIAN'S REPORT

May - June | 2025

Dear Waldenwoods Family,
As we step into the vibrant months of May and June, the resort is abuzz with anticipation and energy. The warmth of the season brings with it a renewed sense of community, adventure, and the promise of unforgettable memories.

Celebrating Togetherness

May marks the beginning of our peak season, and we're thrilled to welcome both returning members and new guests. Our team has been hard at work preparing the resort for the season, and we're excited to share a few key updates that will make your experience even better this year.

New Developments and Enhancements

* New Commercial Kitchen:
  We've completed construction of a new kitchen inside the Parkstore. This allows our Lakeside Café to serve a broader range of high-quality food and beverage offerings with greater efficiency.
* Expanded Wi-Fi Coverage:
  New towers and upgraded bandwidth have significantly improved Wi-Fi access across the campground, including previously underserved areas. Whether you're working remotely or just staying connected, your experience will be faster and more reliable.
* New Dog Run:
  A fenced-in dog run area is now available for members who travel with pets—one of the most frequently requested improvements.

Stay Connected

For the latest updates, event schedules, and reservations:
* Visit our www.waldenwoods.com
* Follow us on Facebook

We look forward to seeing you at the lake and throughout the resort as the season unfolds.
Warm regards,

Brian C. Crouse, President

J. Roberts Favorite Quotes

March 8, 1853:

"At the end of winter, there is a season in which we are daily expecting spring, and finally a day when it arrives."

— Henry David Thoreau

J. Robert Crouse, the founder of Waldenwoods, was an avid reader and wanted us to share from his quote book. Enjoy!

HARTLAND AREA PROJECT

"Friendly Association for Community Service"

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Let us know about other programs that we can all work as a team to help provide leadership in the areas of health & welfare (W), education & culture (C), economic development (D). Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community. Waldenwoods cares about being a good citizen, and through the Hartland Area Project, we've continued to support the local community in achieving improved health and welfare, education and culture, and economic development. If all our members get involved with smile.amazon.com, it'll become a fantastic way to make a real difference in our community.
