BRIAN'S REPORT

November
-
December

20
25

It's officially begun - our next 100 years of bringing families together! Being authentic isn't just who we want to be; this is the real deal. Walden, originally published in 1854, by Henry David Thoreau, an American naturalist and writer, inspired the establishment of Waldenwoods 100 years ago in 1924. His writings reflected that a greater understanding of our life on earth can be gained through our understanding of the natural world around us. "We can never have enough of nature," Thoreau asserted in Walden. At Waldenwoods, we can enjoy nature at its finest and connect with nature and family. Assumed qualities, just don't cut it. We want to be the real deal. The place you call home away from home.

Thank you for being a big part of making us Southeast Michigan's best family resort! We're not like any other campgrounds out there, we're constantly working on showing you how important nature and your family is to us.

Brian C. Crouse, President

J. Robert's Favorite Quotes

January 21, 1921:

"Hearts may be attracted by assumed qualities, but the affections are only to be fixed by those that are real."

- De Moy

J. Robert Crouse, the founder of Waldenwoods, was an avid reader and wanted us to share from his quote book. Enjoy!

HARTLAND AREA PROJECT

**"Friendly
Association
for
Community
Service"**

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Let us know about other programs that we can all work as a team to help provide leadership in the areas of health & welfare (W), education & culture (C), economic development (D). Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community. Waldenwoods cares about being a good citizen, and through the Hartland Area Project, we've continued to support the local community in achieving improved health and welfare, education and culture, and economic development. If all our members get involved with smile.amazon.com, it'll become a fantastic way to make a real difference in our community.
