Continuing a Commitment to Hartland

Just as it is important to be part of the Waldenwoods community, it is also important that we do good in the larger community of which we are a part.

My great-grandfather, J. Robert Crouse, believed strongly in that responsibility. He started the Hartland Area Project and created the Hartland Music Hall as part of his commitment to making Hartland a better place. Today, it is our responsibility to help continue that work.

On Sunday, November 1, Waldenwoods will again host the Turkey Trot, organized by our Activities Manager, Melissa Parker and supported by Running Lab of Brighton. Runners, walkers, families and friends are all welcome, with 100% of the proceeds benefiting the Hartland Area Project. Come out, get some exercise, support a good cause—and take home a medal!

We are also raising funds to replace the roof on the historic Hartland Music Hall. This is a \$30,000 project, and every contribution helps us get closer to protecting this important community building for future generations.

J. Robert once wrote, "I see before us great opportunity, but each must do his part."

That message is as relevant today as ever.

Please support Melissa and the Turkey Trot, support Waldenwoods, and support the Hartland community of which we are such a big part. Participate, volunteer, contribute, and join us in doing some good in the community.

Your contribution matters.

Learn more about both efforts at www.HartlandAreaProject.org.

HARTLAND AREA PROJECT

"Friendly Association for Community Service"

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Let us know about other programs that we can all work as a team to help provide leadership in the areas of health & welfare (W), education & culture (C), economic development (D). Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community. Waldenwoods cares about being a good citizen, and through the Hartland Area Project, we've continued to support the local community in achieving improved health and welfare, education and culture, and economic development. If all our members get involved with smile.amazon.com, it'll become a fantastic way to make a real difference in our community..
